speaks of it;

There was a storm of unusual violence on Wednesday night, accompanied by an namens, tall of run. There were several tarrifle than der claps, and for an hour or so, a nearly continuous blaze of fightning. The datage from the finisher to this otion y is considerable. A streambort captain told up he must have more taking one from the must have more taking one from court beautifloating off. These mills and dams have been swept off rom South Benson-Sander's, then y Funderfon's and ———— Hyeronymor's line bridge across benson on the Liveroneburg and Haid with the triples, and several other bridges.

Mr. Polk's Consistency.

We have noted the following facts before from Patrio | They will not spot by reputation -

441 Schad deled consetentionally in disminishing Lieutepant Hurst believing that the Government spaces oneght not to see and clothed those persons who had participated in duels, or dish drittly taken the lives of their fellow beings who did be amount Gulcon B. Muttock of the for their acco minodation he has per agentle horse and a neat carriage. The restablishment is a sort of public property to the beachers, and the request cells made about the village by them cases, op an Indian Sub Agency? Was it because to every decent house he reaches. Human is a quite too body to ride much, and war quite and ward of the manning. But one of his boarders a fine date withing to take a ride to Scargerick, app of for the horse.

Why did not appoint for the property was the second of the reliable and arm in Nash property was indeed a habit in the liorse of turning up to every decent house he reaches. Human is a quite too body to ride much, and war quite and the samply killed a man in Nash learning. But one of his boarders a fine idner with the force of the new lashions his horse has been wishing to take a ride of his boarders a fine idner with the force of the new lashions has horse has been died which better go i leman his lift and wishing to take a ride to Scagwick, app of for the horse.

Why did he appoint Godoo B Mitlook, of Ten in the distingtion of the reliable and the ride with the property of the property was in the case of the reliable and the ride and the ride and the ride of the latter go in leman his lift and which had principally the case of the reliable and the ride of the ride and the ride and the ride and the ride of the ride and the ride and the ride of the ride and the ing, he said to his outlomer. 'Just be a little if New Orleans' le it becomes Prieur fought a careful in gillig out of the village, as the horse

description of the village, as the horsemay turn in at father a house.

The traveller started, but before he had got through the village the horse bad called, or at through the village the horse bad called, or at through the village the horse bad called, or at through the village the horse bad called, or at through the village the horse bad called for the twenty is observed to do so at some dozen or twenty isouse, and hence his dismissal upon core component was congrestial ting himself upon core component the power old Jew thought up attribute tinges when he was brought up attribute tinges when he was brought up attribute tinges when he was brought on a some started signs to the family.

Launched at Small Point, Physhoric, from which and the late Scintor Woggaman the beautive of the surrogaiding scenery. The court went on the deads for Colls, where the cold, so cold as to be almost unendurable. A through the power of the day have the tree will be a torse of the surrogaiding scenery. The court went on the deads for Colls, where the court went of the day follows a hear yet went or went of the day and a first own with a humor on their court, went on the power of the day and the power of the day and the power had a hence his dismissal. Matlock, there will be t Coths a grand stag-hand, or at the power old Jew thought to have, and hence there appointments—

The tweeter of the surrogaiding scenery. The court of the day late the well as they were to remain a further a betture of the day late of the store is they will on the men a four of five days, relutions as here. We not the the stage of the day is a strice of the surrogament of the fall that fire rewill be t Coths a grand stage have a very large scele.

The strice is strice in the flaguent can be strice of the surrogament of the fall that fire rewill be t Coths a grand stage have a very large scele.

The strice is strice in the flaguent can be strice of the surrogament of the fall that fire the surrogament of the fall that fire swelling, caused by the water surroga

Never Give Up,

Nover give up' it swiser, and hetter Always to have, than once to dispair, Fluinoff the lond of Doubt's cantiering fetter. And break the dark shol of typermised care; Aever giving or the besthen may sink you. Providence kindly has nongled the cup, And in all trails or rougles besthick you. The water word of his prust be, Nover give up

Never give up' the rejarse chances and changes. Helping to alloge ul'a hondred to one. And through the chans II h Wasdom at anges beer success—if oil it ally hope on. Never give up! for the wisest is holdest, honoring that frow ideale mingles the cup, And of all maxims in best as the callest, Is the true watchword, Yaver give up!

Never give up' through the grape-shot may rattle,
Or the full thunder cloud over you burnt,
Stand like a rock, and the storm or the battle.
Little shall harm you though doing that worst
Never give up' if silverist presses.
Providence weel g has mangled the cup,
And the best counset, is all your distresses,
Is the six ut watch road of Never give up'

CHEAP CASH STOVE WAREHOUSE Nos. 84 and 82 A ain-Street THE LARGEST, CHEAPEST AND BEST ASSORTMENT !! STOVES

OF ALL DEFCRIPTIONS I VFR OFFERFOLY THIS CITY COMPRISING S AT 1 ATTERYS FIGH 1845.

HATTAN EL TO INSON.

WHOLESALE AND RETAIL DEALER IN urnaces, footing Ranges, Stoves, Inclinace Copper and I in Ware, &c.

HAS jest received a new supply of FOX 5 I 1 [f N] HOT-AIR FURNACES.

Henry a decided improvement upon every other heretoftee in use Ti, Iri ing public buddings, factories dwelling houses &combined decided in a high in first and purity of air produced by it. This article is the very best in the nark. Stimpson's Hot Air Cooking Range.

THE VERY BEST EVER MADE! N. J. has also rece v SON'S NEW PATI AND HOF-AIR CO

cost o wood. The Ran et kill New tork and Beston at the lat-use having been greatly in; r vention many years since a no of entire new patterns. The cause it to buke inner readily in! fuel and the oven is much we der at attacl el to this Range a Bath Bol re and Simmer Damper which allowed gas and steam to pass off rate the har passing into the Hot far Clar bor some at rec Ranges By means of the hard consists of a hollow mantel and a day there.

the smo to and gas are made to pass and re urn again to the orien, the temperature of the new increased or daminished, at pleasure

Pair above RANG-ES are manufactured of various area, for families boarding he a is hit. By the legislatur which controls all the flues that draught off the channes may be regarded to me, so take to prevent the waste of oast. This has been found very useful and his bodd to take the found of the Ranges formerly set, and the persons who use their say thoy use one half he solidate for the Ranges formerly set, and the persons who use their say thoy use one half he solidate for the passibility of the gas an ideal of the intellect from getting into the 1 or that her are deal when steared, and reflore the means of boating an additional room with the same of cooking.

As a further recommendation of the above Fiftures and Cooking Range the subscribe last if some traffer to the following genitences who are well known in langer and through the fact who have recombly had them putting at their residences—Above Taylor, Esq. Ge. Same diver who have recombly had them putting at their residences—Above Taylor, Esq. Ge. Same diver and New York and other places, whose names can be seenly calling on the subscriber of the same New York and other places, whose names can be seenly calling on the subscriber.

Of all kinds and prices, which he will sell very low for dash—moother words at profit is associated comprises those of the in set approved and latest patterns, together with a few of early attents which which sold at one.

I blease call and substitution is believed.

N B COPPER, SHEET IRON, and TIN WARE, Manufactured at above at hard rate and sythebest of workmen. Orders grate littly received and promptly executed.
